Parent Update

Dear Parents,

E-learning Sessions and Home Learning Kit

We hope you and your loved ones are keeping well and healthy at home. We are glad to see our children back at school and gradually settling in with the new normal and adjusting to the SOPs carried out.

We would like to inform you that after 12th June 2020, E-learning sessions and the release of the Home Learning Kit will cease as the lessons in school have resumed. We will however continue with the E-learning sessions and provide extra learning materials for our Nursery 3, Preparatory 1 and Preparatory 2 classes until 26th June 2020. We will be running 1 session daily for the respective classes from 10.00am to 10.45am.

A big thank you to all parents who have supported us throughout our E-learning sessions and for encouraging and accompanying your children with the Home Learning Kit.

Thank you, we look forward to seeing all of you soon.

Yours sincerely,

Sayfryil Ng
Principal
